

## YURTS FOR LIFE FINANCE

At Yurts for Life, we're proud to be the UK's leading provider of high-quality traditional Kyrgyz Yurts. We craft each and every one of our Yurts by hand and to order, which means we can tailor our Yurts to suit our customer's requirements. Treating you as individuals and adding a personal touch is of the utmost importance to us.

This applies to your finances as well. If you are a business and wish to pay for your Yurt over a period of time to help you manage your cash flow, we can introduce you to funders or work with your own preferred finance company.
